DRAFT AGENDA

Please note that this is a draft agenda; items and times are subject to change. If you are interested in a particular item, please contact ANC 6C Transportation and Public Space Committee citizen chair Mark Kazmierczak at mark.kaz.anc@gmail.com for the current status of that item. This committee meets the Thursday preceding the second Wednesday of each month.

Quorum call and approval of agenda

1. NoMa Underpass L St.

NoMa BID is preparing to install an art and lighting project under the train tracks overpass on L St NE. The title is "Lightweave" and consists of chains of lattices of color-changing light tubes.

Representative: Stacy West, NoMa Parks Foundation. [6C06]

2. Vision Zero - Second Rulemaking

DDOT has released their revised (second) rulemaking to implement DC's Vision Zero. Vision Zero is a citywide plan to eliminate all traffic deaths in the district. The TPS Committee and ANC 6C reviewed the first Vision Zero rulemaking in January 2016. The ANC supported the plan, and made suggestions for increased penalties for certain traffic violations. The ANC also requested additional attention be paid to the K St. NE corridor and the issue of dirt bikes/ATVs on city streets.

The revised rulemaking can be accessed online at <http://dcregs.dc.gov/Notice/Download.aspx?NoticeID=6369134>

Representative: None. [District-wide]

Meetings are open to the public and residents are encouraged to attend.

The full Advisory Neighborhood Commission (ANC 6C) usually meets on the second Wednesday of every month at 7:00 pm. and will vote on all committee recommendations. Non-voting items from this committee meeting may be omitted from the full ANC agenda. Commission meetings are held at the Heritage Foundation, 214 Massachusetts Avenue NE. For a complete ANC schedule and agenda, see <http://anc6c.org/>.

3. [PENDING CONFIRMATION] Union Station – Update to First St. NE entrance

DDOT and WMATA have developed designs to improve the First St. NE entrance to Union Station to make it more accessible and inviting. In the plans, the opening in the exterior wall is shifted and enlarged, and stairs and an ADA-compliant ramp will be constructed on the outside of the station to allow for expansion of the block of faregates inside. A steel and glass canopy will also be constructed above the stairs and ramp outside.

The TPS Committee performed a preliminary review of the project in December 2016, and came up with several questions for the design team.

Representative: TBD. [6C04]

4. [PENDING CONFIRMATION] K St. NE Traffic Study

At the request of ANC 6C, DDOT has performed a traffic study on the K St. NE corridor. Results of the study will be discussed.

Representative: TBD, DDOT. [6C05/06]
