

ANC 6C Transportation and Public Space Committee
Kaiser Permanente Capitol Hill Medical Center
700 2nd St. NE, Room G3-G4
Thursday, April 6, 2017
7:00 pm

DRAFT AGENDA

Please note that this is a draft agenda; items and times are subject to change. If you are interested in a particular item, please contact ANC 6C Transportation and Public Space Committee citizen chair Mark Kazmierczak at mark.kaz.anc@gmail.com for the current status of that item. This committee meets the Thursday preceding the second Wednesday of each month.

7:00 Quorum call and approval of agenda

7:05 1. Uline Loading Zone (1140 3rd St. NE)

Douglas Development, owner of the Uline building that REI is in, is proposing to create a loading zone for pick-up and drop-off on 3rd Street NE in front of the main entrance. The loading zone would be active between 7 am and 7 pm. The goal is to cut down on any potential congestion from Uber/taxi pickup and drop off at the building.

Representative: Drew Turner, Douglas Development Corp. [6C06]

7:35 2. New Zipcar Spaces (263 8th St. NE; 1225 5th St. NE)

Carsharing provider Zipcar is looking to reserve four street parking spaces within ANC 6C for their cars. The spots are located at (1) the first two spaces at the intersection of 8th St NE and C St NE (approximate address: 263 8th St. NE); and (2) the first two spaces at the intersection of 5th St NE and Florida Ave NE (approximate address: 1225 5th St. NE).

Representative: Juliana Geller, Zipcar. [6C06, 6C03]

8:05 3. LED Streetlights

The District Department of Transportation (DDOT) is planning to install cool-white LEDs that have a strong blue-wavelength component. The American Medical Association has warned that blue-rich LED street lights cause hazardous glare and are potentially harmful to human health because of their disruptive effect on circadian sleep cycles. To mitigate these potential problems, the AMA recommends that roadway lighting have "the lowest emission of blue light possible." ANCs 4B and 5B and the Palisades Citizens' Association have endorsed warm-white LED street lights that comply with the AMA's recommendations. In addition, more than 150 people from multiple wards have signed petitions expressing concern about blue-rich LEDs and calling for installation of warm-white LEDs.

Representative: Wayne Savage, D.C. Street Light Task Force. [District-wide]

8:35 4. Adjourn

Meetings are open to the public and residents are encouraged to attend.

The full Advisory Neighborhood Commission (ANC 6C) usually meets on the second Wednesday of every month at 7:00 pm. and will vote on all committee recommendations. Non-voting items from this committee meeting may be omitted from the full ANC agenda. Commission meetings are held at the Heritage Foundation, 214 Massachusetts Avenue NE. For a complete ANC schedule and agenda, see <http://anc6c.org/>.
