Re: Ethiopic Restaurant, 401 H Street N.E., ABRA-083149, substantial change to increase total occupancy load from 47 patrons to 71 patrons inside the premises

Dear Mr. Moosally,

On July 12, 2017, at a duly noticed regularly scheduled monthly meeting of ANC 6C, with a quorum of six out of six commissioners and the public present, the above-mentioned matter came before ANC 6C.

The commissioners understand that the applicant will rearrange the furniture to accommodate an increase of 24 patrons inside the restaurant. Although the plan will make the restaurant more crowded, as long as appropriate procedures are followed such as fire code conditions and certificate of occupancy requirements, ANC 6C has no objection to the increase in total occupancy load. The commissioners voted unanimously, 6:0:0, to support the request.

Thank you for giving great weight to recommendations of ANC 6C.

On behalf of ANC 6C,

Karen Wirt
ANC 6C chair
