Re: 434 4<sup>th</sup> Street N.E., HPA 17-577, application for permit approval for side and rooftop additions

Dear Ms. Heath,

On September 19, 2017, at a duly noticed regularly scheduled monthly meeting of ANC 6C, with a quorum of four out of six commissioners and the public present, the above-mentioned matter came before ANC 6C.

The applicant proposes to add infill in an existing dog leg and to construct a rooftop addition at the rear of the building. The commissioners understand that the addition would not be visible from 4<sup>th</sup> Street or E Street. The applicant presented letters of support from the owners of 432 and 436 4<sup>th</sup> Street.

The commissioners voted unanimously to support the applicant's request, 4:0:0.

Thank you for giving great weight to recommendations of ANC 6C.

On behalf of ANC 6C,

Karen Wirt  
ANC 6C chair
