Re: Cava Grill, 523 H Street NE, Application 10574315, unenclosed sidewalk cafe

Dear Mr. Marcou,

On May 9, 2018, at a duly noticed regularly scheduled monthly meeting of ANC 6C, with a quorum of six out of six commissioners and the public present, the above-mentioned matter came before ANC 6C.

The ANC 6C commissioners voted unanimously, 6:0:0, to support the application with the following stipulations:
1. Trash—A trash receptacle should be placed outside, but in order to discourage use of to-go containers by dine-in customers, the opening of the receptacle should not be large enough to fit the to-go bowls. The applicant was receptive to the suggestion.
2. Tables and chairs—The applicant stated these would be chained overnight. The commissioners requested they be stacked to further discourage use after hours. The applicant agreed.
3. Size of the sidewalk café—Because of the potential for disruption to the neighbors, the size was recommended to be reduced, at least temporarily, so that a plan of a graduated seating plan would be in place. The limited number of seats could potentially increase at a later date following a period without significant complaints.

Thank you for giving great weight to recommendations of ANC 6C.

On behalf of ANC 6C,

Karen Wirt
ANC 6C chair
