Re: Capitol Hill Cluster race, Sunday, May 19

Dear Dr. Rodriguez:

On March 13, 2019, at a regularly scheduled, duly noticed monthly meeting of ANC 6C, with a quorum of 6 out of 6 commissioners and the public present, the above-mentioned matter came before us.

The commissioners voted unanimously, 6:0:0, to support the event, with the following caveats:
1. DDOT signage should be posted along the route at least 72 hours in advance of the event and should remain posted throughout the race.
2. The Mayor’s Special Event Task Force should coordinate with MPD to mitigate the effects of Clean Routes policy if implemented this year.
3. DDOT should repair pot holes along the route before the event so that runners, including children, do not experience injuries.

Thank you for giving great weight to the recommendations of ANC 6C.
