7:00 Quorum call, approval of agenda, announcements

7:05 1. Café Fili – 701 2nd St. NE | Application #10712570

Application for an unenclosed sidewalk café.

Representative: Sidon Yohannes, Veritas Law [6C04]

7:25 2. Verizon – 120 7th St. NE

Verizon owns a large building at 120 7th Street NE used for telecommunications equipment. On the street in front of the parking lot is signed "Tow Away, No Parking, Loading Zone, 8 am to 4 pm" but there is no driveway between this section of the street and the entrance to the building. Over the last several months, Verizon and/or its contractors have been driving trucks over the curb and unpaved public space to the parking area near the entrance to the building.

A Verizon rep has been invited. The committee will discuss options to stop this behavior, which may include installing tree-box fencing or removal of the loading zone.

Representative: TBD [6C01]

7:45 3. Proposed Rulemaking – Proper Behavior in Bike Lanes

This proposed rulemaking amends Title 18 DCMR to improve bicycle and passenger safety and further pursue the District’s Vision Zero goal for transportation safety by: clarifying rules related to restricted and bicycle lanes; clarifying that a person may only stop or stand at certain locations at the direction of a police officer or traffic control device; and prohibiting parking but allow stopping and standing to unload passengers or freight at other specific locations.

Representative: None.
