Re: King Street Oyster Bar, ABRA-114984

Dear Mr. Moosally:

On November 13, 2019, at a regularly scheduled, duly noticed, monthly meeting at which 6 out of 6 commissioners and the public were present, the above-mentioned application came before us.

The commissioners voted unanimously, 6:0:0, to protest this new license on the basis of (1) the effect of the establishment on real property values; (2) the effect of the establishment on the peace, order, and quiet, including the noise and litter provisions set forth in Sections 25-725 and 25-726 of the D.C. Code; and (3) the effect of the establishment upon residential parking needs and vehicular and pedestrian safety. The commissioners are optimistic that a settlement agreement can be reached between ANC 6C and the establishment on behalf of the community. In addition, the commissioners voted to approve a stipulated license contingent on successful completion of a settlement agreement.

The vote included designation of ANC 6C06 Commissioner Drew Courtney, with Mr. Steve O’Neal, chair of the ANC 6C Alcoholic Beverage Licensing Committee, as backup, to represent ANC 6C in all matters pertaining to this application.

Thank you for giving great weight to the recommendations of ANC 6C.

On behalf of ANC 6C,

Karen Wirt
ANC 6C chair
